The Giver Project Choices

Language Arts: Mrs. Murvine/Mrs. Wagner

On March 18th and 19th, you will be working on a project to show what you have learned from the novel, The Giver. You will be working on these projects individually, but you can choose from any **one** of the following choices:

"ABC" Book: Create an "ABC" book for The Giver. For each letter of the alphabet, give an example of one thing or idea from the book. You must use at least 20 different letters. For each letter, you must include a picture or drawing. At least 10 of the illustrations must be hand drawn.

Children's Rule Book: Create a children's book that would explain the rules of Jonas' community. You must write 20 rules and include illustrations for each rule. At least 10 of the illustrations must be hand drawn.

Travel Brochure: Create a travel brochure using Microsoft Word that would convince people to visit Jonas' community. You should consider parts of Community life that might inspire tourists to visit, or families to relocate there. For example, you might include information on the local economy, government, schools, climate, transportation system, and job opportunities. Travel brochures MUST be created on a computer and contain persuasive reasons why someone should visit the Community. Laptops will be available in the room for your use.

Supplies Needed!

In order to complete these projects, you will want to have art supplies available. Therefore, on March 18th and 19th, we are asking you to bring in as many of these supplies as you can. Starred items are highly suggested.
